

Halls Booking

who are we?

it is a system linked to Umm Al-Qura University.
our mission is make booking halls, cancel them, evaluate them and other tasks easy to do.

Why us?

You can perform many important tasks in easy and simple steps. It also connects different types of users easily to perform a specific task.

For example: The employee can request for volunteers, at the same time the student request to volunteer! so the software provides an easy way for them to communicate together.

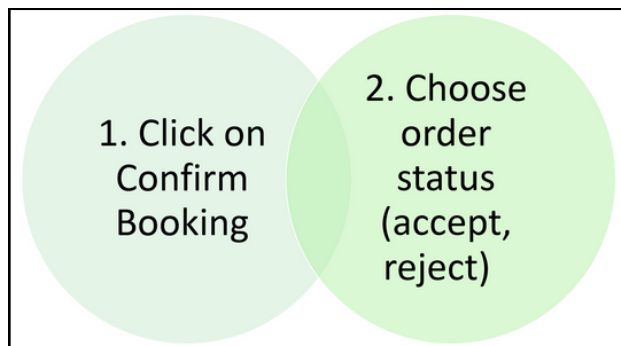

What can you do?

There are many features that you can do in Halls Booking:

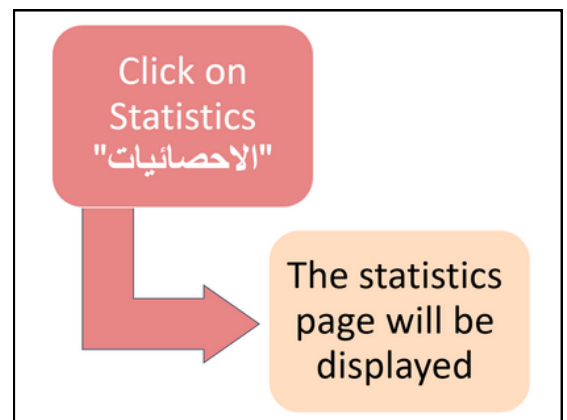

- Create Account
- Cancel Booking
- Publish Event Content
- Display Statistics
- Confirm Booking
- Request Booking
- Complete Booking Addition
- See Booking
- Submit Volunteer
- Evaluate Hall

How can you do it?
